Digital Modernization

DICON can help government agencies modernize their data, applications, systems, infrastructure, and cloud environments while strengthening cybersecurity posture.

- IT Program Management
- Application Management
- System Administration
- Data Management & AI
- Helpdesk & End-User Support
- Cybersecurity

SB & SDVOSB

The **General Services Administration (GSA) Multiple Award Schedule (MAS)** provides federal, state, local, tribal, and other eligible buyers access to commercial services.

SB & SDVOSB

The **GSA OASIS+** contract vehicle is a governmentwide IDIQ that enables federal government agencies to procure management consulting, engineering, and Information Technology services.
